## Alta Vista to purchase MMPR licenced producer.

Alta Vista Ventures Ltd. (AVV-CSE, YRLLF-OTC) is pleased to announce that it has signed a Letter of Intent to purchase a 100% undivided interest in RedeCan Pharm, one of Canada's 19 MMPR (Marijuana for Medical Purposes Regulations) cultivation and sales licenses.

"The completion of this transaction puts Alta Vista in a select group of public companies", stated Ian Foreman, president of Alta Vista, "as there are only a handful of public companies with a license to cultivate and sell medical cannabis in Canada under the MMPR system. We are excited about this opportunity to continue to grow RedeCan Pharm into a leader in the industry."

RedeCan Pharm is located in the heart of the Niagara peninsula in Southern Ontario. RedeCan currently utilizes 15,000 square feet of greenhouse space on 30 acres of land located in the tender fruit belt. The size of the property allows for future expansion of the facility.

RedeCan Pharm received its cultivation license in June of 2014 and was then issued its license to sell dry cannabis to medical patients across the country in March of 2015. RedeCan's ability to utilize their greenhouse facility along with their ability to keep operating expenses down have allowed them to be a profitable licensed producer.

RedeCan's management has created a well-run, low cost medical marijuana producer and Alta Vista will work with RedeCan to help expand and grow RedeCan's business. Alta Vista will be investing in RedeCan to enable this. Plans for 2016 include the following:

- **Extracts:** Adding extraction equipment immediately to produce high CBD oils for medical patients.
- **Expansion** – Alta Vista plans on expanding RedeCan's operation, subject to Health Canada approvals, and overall total production space.
- **Patients** – Alta Vista, through its contacts in the industry, will work to increase RedeCan's overall patient base.

RedeCan's current management team will continue to run the day to day operations of the facility.

## The Transaction

Under the terms of the LOI, Alta Vista Ventures shall pay RedeCan Pharm an aggregate consideration of \$9,500,000 in cash and shares subject to the signing of a definitive agreement. \$7,000,000 will be paid in cash and \$2,500,000 will be paid by the issuance of shares of Alta Vista at a deemed price of \$0.33 per share.
